CONTINUING EDUCATION COURSE

Taught by David Nichol, M.D.

Self Psychology: Exploring the Life of the Soul

We will read and discuss "Exploring the Life of the Soul" by John Riker, PhD in Philosophy and Psychoanalytic Studies at Colorado College. The book is a superb synthesis of Kohutian self-psychology, philosophy and transcendentalism. It points the way toward connecting to one's core self and vitality in order to live more fully in this postmodern world. Class will be led by David Nichol, MD who first met John Riker at Colorado College and was thus inspired to become a psychoanalyst.

Dr. Riker will attend one of the classes.

Please purchase the book prior to class.

Dr. Nichol attended the University of Colorado School of Medicine, the Menninger School of Psychiatry and the Topeka Institute of Psychoanalysis. He is the author of "The One Minute Meditator" and has given many talks and workshops on the benefits of meditation. He has been in private practice for 24 years.
